## Potato Growing Competition

Open to all ages but especially children. Collect your potato either at the next meeting of the Community Group on Tuesday 6 April, or ask a committee member, or collect one at the school or from Tŷ Capel, Nasareth.

## Potato Growing Advice

- Standard builder's bucket (or similar size).
- Make a hole in the bottom for drainage.
- Half fill with soil or compost.
- Put in potato end up where the shoots are appearing.
- Cover with 8 cm/3 inches of soil or compost.
- Put bucket outside in a sunny place.
- Add more soil or compost as the shoot grows.
- Keep the soil moist.
- Water once a week with four mugs full of water.
- If it is dry and sunny, water every day.

Buckets will be judged as usual after the Duck Race at the end of the school summer term, 22 July.

## Lôn Eifion

A proposal has been made for access onto Lôn Eifion from Berth Farm/Bridge to Tai'n Lôn (map ref 466508). This would enable cyclists and walkers to access Lôn Eifion without having to cross the A487.

The proposal is much more likely to get approval if local people contact Caernarfon Council with their support, stating how it would benefit them personally.
